FOREWORD

We, the Class of 1963, present this yearbook as a pictorial spokesman of Delaware Valley College.

The contents of the pages within present to you the College as we have known it, and as it is today. Some of the changes that have taken place during our presence here are not made evident through pictorial display. One such change is the recent accreditation of our College. The impact of this single event signals a new look in the future growth and development of the College. The years of preparation that lead up to accreditation are as deserving of recognition as is the achievement of this goal.

July 2, 1962

Doctor James Work
President
Delaware Valley College of Science and Agriculture
Doylestown, Pennsylvania

Dear Doctor Work:

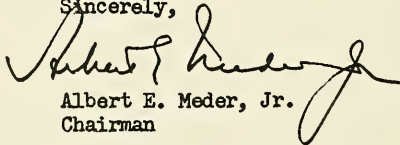

It is indeed a pleasure to tell you that following a study of the Progress Report presented by the College, the Commission has voted to add Delaware Valley College of Science and Agriculture to the accredited list and to admit it to membership in the Middle States Association.

By carbon copy of this letter I am notifying the Secretary of the Middle States Association, Dean Elwood C. Kastner of New York University to add Delaware Valley College of Science and Agriculture to the membership roll and the Association Treasurer, Mr. Oliver C. Melchior, to bill the College for its annual dues.

Please be assured that the Commission, its Chairman and its Executive Secretary stand ready to assist Delaware Valley College of Science and Agriculture by consultation or by other appropriate means at any time.

With hearty congratulations,

Sincerely,

Albert E. Meder, Jr.
Chairman

DEDICATION

We exhibit with pride the formal notification received by the College on June 23, 1962.

This achievement exemplifies the GROWTH and PROGRESS the College has made in recent years. To those who made accreditation possible we are deeply grateful.

The success of graduates from Delaware Valley College in business and in graduate schools is pointed to with pride. Now the College sends forth men with an added stamp of approval.

It is, therefore, with sincere admiration and gratitude that we dedicate this book to those who aided the College in reaching this milestone.

CLASS HISTORY

September 15, 1959 was the day; the beginning of our college careers. Registration, orientation, and entrance examinations passed in a flash. Classes began and something called a Sophomore appeared to make life "interesting."

An administrative decree ended customs abruptly. The late-at-night activities of some Sophomores caused the cancelling of the rope pull thus our chance for sweet revenge was lost. As "Frosh" we were recognized by our name cards because the shipment of beanies failed to arrive on time.

The election of our class officers and a growing knowledge of campus activities allowed us to slip into the routine of college life.

This was a year for many firsts on our campus: 1. The enrollment of students into the new Chemistry and Biology Majors, 2. the expansion of the athletic program under the direction of Mr. Ned Linta, the new athletic director, 3. the use of a new gymnasium for many activities, and 4. the appointment of Mr. Robert Chiodi as Head Football Coach.

As the year progressed we became secure in the knowledge that we were an important part of this academic community. Our classmates were performing admirably in many facets of the College program.

Near the end of our first year we were informed of the change in the name of the College from National Agriculture College to Delaware Valley College of Science and Agriculture.

Following the summer program and vacation we returned to the campus eagerly looking forward to

guiding the Freshmen through the maze called customs.

A class dance, the blood bank participation award, and a successful A-Day were the highlights of the year for our class. Other important events of the year were: 1. The first visit by the Middle States Evaluation Committee, 2. the successful start of a College Blood Bank, 3. the showing of movies on campus, and 4. the appearance of Miley men on campus.

At the end of the year we turned to summer jobs hoping to see the application of what we had already learned.

The Junior year found us woven ever deeper into the web of college life.

The construction of Lake Archer, organization of a student court, completion of the library annex, a second successful blood bank program, and a significant advancement towards accreditation were the highlights of our Junior year.

Again the Class of '63 was outstanding in its contribution to the success of the blood bank program.

We returned from summer jobs as Seniors, proud that our college met the standards set by the Middle States Association.

This was a busy and important year for all of us. The yearbook, long in the planning stage had to become a reality. Graduation and Senior Prom plans had to be completed . . . and for each of us plans for the future became crystallized into realities. The long thought about jobs, graduate education, marriage, etc. are close at hand.

ADMINISTRATION
AND
FACULTY

TO THE MEMBERS OF THE CLASS OF 1963:

You have seen the College pass a significant milestone when, during your senior year, we reached the goal for which we were striving, accreditation by the Middle States Association of Colleges and Universities. You, as students, played no small part in this accomplishment. With your continued loyal support we will, I am sure, not only justify our new status, but continue to grow in every way.

I wish you every success and happiness, and extend to each of you my personal congratulations.

Sincerely,

James Work

Our Little All-American, team captain Terry Scheetz with mascot Caesar II.

Darryl McCabe—one of our best linemen.

DVC 11—MONTCLAIR 12

The Aggies played their finest game of the season against Montclair. A few defensive errors were the contributing factors to this Aggie loss. Take nothing away from the defense. They did a fine job. Terry Scheetz, center, picked up a blocked Montclair punt and ran 50 yards for his first score in his football career. Gary Ulrich ran the ball for two extra points. Tom Shive kicked a twenty-three yard field goal in the first quarter. Montclair scored twice in the second quarter.

DVC 21—GALLAUDET 8

The Aggies were slow in getting started but finally pulled together for one of their strongest showings of the season. Gary Ulrich's long pass to Jerry Gall was the first score in the second quarter. Gary threw two other bombs, one to Earl Howett and another to Jerry Gall. Hal Nightwine kicked all those extra points. Gallaudet's score came late in the fourth quarter.

1962 Football Team—(L-R front row) W. Spence 30, J. Hughes 21, E. Krakowski 12, R. Morrison 23, T. Shive 11, G. Ulrich 20. (L-R second row) Student trainer, E. Conner (kneeling), J. Gall 85, D. McCabe 60, P. Blodgett 74, Captain T. Scheetz 50, H. Nightwine 10, E. Howett 41, T. Oswald 62, Manager B. Schleeweis (kneeling). (L-R third row)

Hal Nightwine—our place kicker and hard running halfback.

Coach Chiodi and assistant coach Fulcoly direct the team.

DVC 7—KINGS 0

The Aggie defense was the big reason for an impressive win on Homecoming Day. The hard-nosed Aggie line held three times inside the five yard line. Dick Baughn scored for the Aggies in a short plunge and Hal Nightwine converted for the extra point.

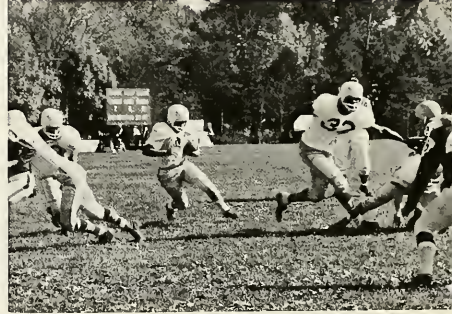

1962 Football Coaching Staff—Line Coach William K. Clement. Head Coach Robert D. Chiodi, Backfield Coach Joseph E. Fulcoly, Jr.

DVC 7—LYCOMING 26

This game wasn't one of the Aggies better games. Lycoming scored three times in the first quarter and again in the third quarter. The only Aggie score came in the third quarter on a short dive by Dick Baughn from the three. Hal Nightwine kicked for the extra point.

DVC 7—GROVE CITY 8

Every season has a heart breaker and this season was no exception. The Aggies were ahead all the way up until the final three minutes. The Aggies drew first blood as Gary Ulrich threw to Tom Shive for a score. Hal Nightwine converted for the extra point. Grove City scored in the third quarter but missed the PAT. They again scored in the last three minutes on a safety.

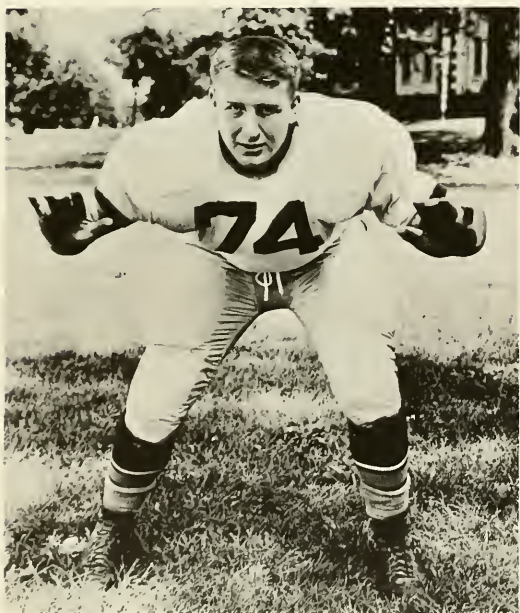

Nice hole opened by the Aggies hard charging line as Earl Howett scampers through for a good gain.

Frosh section cheering the team on to victory.

Dick Baughn drives through a tough Kings line.

Peter Blodgett—one of our biggest and toughest linemen.

DVC 0—DREXEL 13

We can attribute our team's downfall this day to the mud, rain, and wind. The Aggies threatened in the second quarter on a good drive but the old fumble popped up. Drexel turned a blocked punt into a touchdown. There was no more scoring until the fourth quarter when Drexel pushed another score across.

DVC 10—MILLERSVILLE 0

It took the Aggies fifty-six minutes to score in this see-saw battle with the Marauders. Gary Ulrich shot around left end for six points. Hal Nightwine converted for his seventh straight extra point. As the time ran out Tom Shive booted a thirty-two yard field goal. Millersville threatened once on a intercepted pass but the Aggie defense held them on the four yard line.

"What happened to my line?"

DVC 3—SUSQUEHANNA 51

Susquehanna finished an undefeated season by rolling over the Aggies. We were completely outclassed as Susquehanna was set for a possible bowl bid. The only bright spot for the Aggies was a record setting forty-eight yard field goal by Tom Shive.

A Susquehanna back about to be tackled by an Aggie defenseman.

CROSS COUNTRY

Lou Coppens on his way to another first.

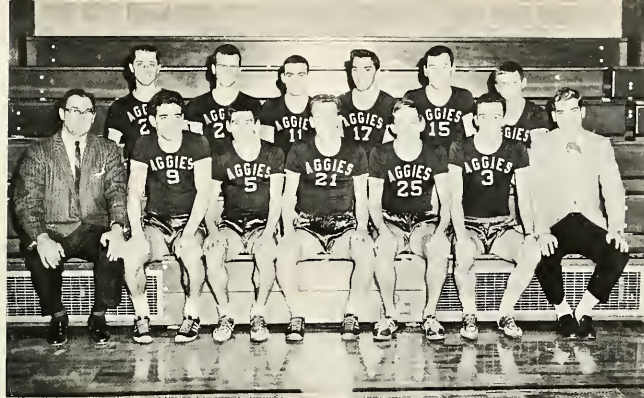

In the third year of action, the Delaware Valley Cross-Country team finished the season with a commendable 7-1 record. The Lintamen have pulled many surprising upsets during the season, led by the "Gold Dust Twins" Lou Coppens and Jim Murphy. The team's future looks even brighter because the squad will be returning in full force, next year. Other returning veterans are Captain Conrad Fisher, Glen Cooksen, David Scovel, Leon Ritchey and Joe Curtis.

Glen and Dave bring in the team's 3rd and 4th positions.

Team Captain Conrad Fisher makes the five miles appear easy.

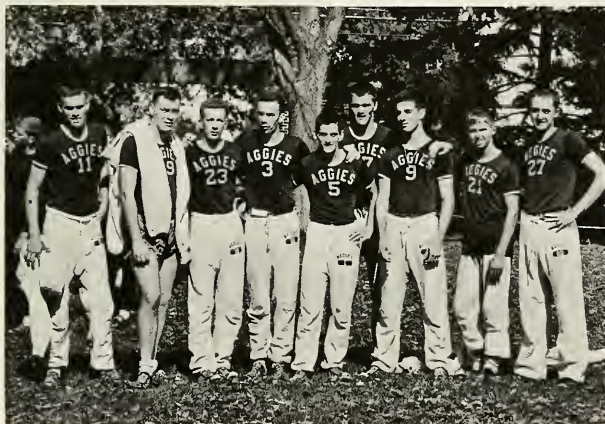

1962 Varsity Cross-Country Team—(L-R first row) Coach N. Linta, D. Scovell, L. Coppens, Captain C. Fisher, R. Murphy, G. Cooksen, Manager M. Campion. (L-R second row) E. Hamm, E. Fahey, L. Ritchey, R. Lichtenwalner, J. Curtis, R. Huddy.

The initial season of intercollegiate wrestling competition by the "muscle men" of D.V.C. has proved to be a most successful one. A mid-season record of 2-2 with impressive wins over Lincoln University and York Jr. College clearly indicated team potential.

The wrestling squad, composed entirely of underclassmen, is led by Captain Donald Day. Other outstanding squad members are Charles Suloff, Roy Ries, James Horner, Edward Taggart, and Charles Roth.

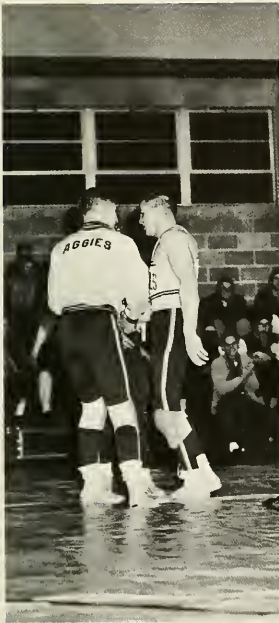

1962-63 Varsity Wrestling Team (Inaugural season)—(L-R first row) A. Andrews, W. Smith, C. Roth, J. Harner, R. Ries, R. Konefal. (L-R second row) Coach J. Maskas, G. Hunter, J.

The loss of four seniors from last year's squad, made the outlook dim for the Aggies 1962-63 Basketball team. The bright spots for this team are in the return of center "Wild Bill" Mertens and the team playmaker Lou Furman. Other outstanding Aggies who will be fighting for a starting berth are Dave Heebner, Dick Baughn and Bill Fisher. In addition to these men, there are several freshmen which show great potential.

Lou Furman drives through the defense for a nifty two points.

TRACK

The "Aggie" Track team faces one of the toughest schedules of any team representing our college in intercollegiate competition. Nevertheless, in 1962 they were able to obtain impressive wins over Lycoming and Susquehanna. The team was led by Captain Dick Carrol, undefeated pole vaulter. Other standouts include Lou Coppens and Jim Murphy in the distances, Dave Heebner and Bob Pras in the hurdles, and Max Heflich and Dennis Hunter in the 440. Others are Bill Hopkins, Bill Mertens, Darryl McCabe, Steve Campayner and Ken Roinos.

BASEBALL

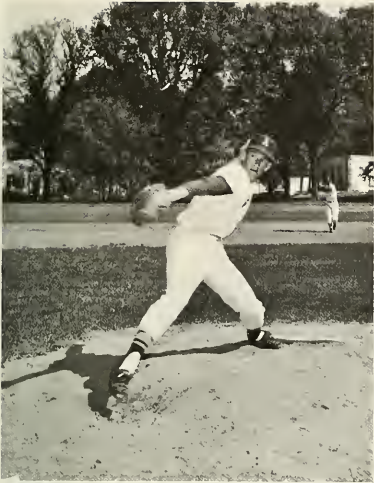

1962 Varsity Baseball Team—(L-R first row) H. Nightwine, G. Perry, P. Hoffman, Coach Robert Chiodi, D. Ruff, G. Caprio, R. Topeka. (L-R second row) K. Bayles, J. Gall, D. Goss, J. Blunkosky, R. Hoffner, D. Boyd, Student Trainer M. Gilman. (L-R third row) W. Currey, T. McMillen, R. Terry, C. Ritchie.

For the first time in the school's history the baseball team brought home the Delaware Valley Conference championship. The team earned a commendable 6-2 league record in the 1962 season. With only one player lost through graduation the 1963 team promises a record of equal merit. This team will be led by captain "Gee" Caprio with the able assistance of his fellow seniors D. Ruff, G. Perry, R. Topeka, P. Hoffman, and H. Nightwine.

GOLF

In its second year as an intercollegiate sport, the Golf team was only able to participate in two contests. Inclement weather canceled three of the remaining contests. The 1962 team was composed of seniors. This year's squad has to be rebuilt in order to replace last years seniors.

BOWLING

The first full season for this years Bowling team proved to be a highly successful one. The team went undefeated in dual matches and the seasons highlight came on March 2, 1963 when they captured the Delaware Valley Conference Bowling Championship. Congratulations to its fine performance.

Our Intercollegiate Bowling Team: (L-R) W. Keppler, W. Burns, A. Prophet, H. Hazen.

INTRAMURALS

The men responsible for the success of our Intramural Sports program: Student Director, Richard Carroll; Director of Athletics, Ned A. Linta.

Intramurals on our campus have grown from a very small inactive function to one of the most competitive, most efficiently run activities on campus. This growth of intramurals has come about through the great work of the Athletic Director, Mr. Linta, for he has spent endless hours working and improving intramurals.

Intramurals are designed to give the students physical enjoyment and to help them improve their character through cooperation and competition.

All clubs on campus participate in intramurals and all are striving to win the supremacy award which is given annually to the club which accumulates the most points through intramural activities.

14th ANNUAL CONFERENCE NATIONAL INTRAMURAL ASSOC.

On March 28, 29, 30, 1963 Delaware Valley College was honored by having the 14th Annual Conference of the National Intramural Association held on its campus. With the help of the Intramural Council headed by Richard Carrol and the Athletic Director Mr. Linta, our intramural program was explained to the association. Through panel discussions conducted by students, different intramural programs were considered to find their strong and weak points.

The Intramural Council and Mr. Linta said that our intramural program has made an excellent impression on Intramural Directors from other Colleges and Universities throughout the country. We feel this was another achievement in our great intramural program.

Football Champs—Food Industry Club, (L-R front) W. Klementisz, C. Dennys, N. Guardenier. (L-R back) D. Glick, T. Day, S. Colburn.

Basketball Champs—Animal Husbandry Club, (L-R front) R. Topeka, J. Shafer, P. Hoffman. (L-R standing) S. Haviland, D. Brown, R. Donald, D. Boyd, G. Leonhardt, P. Scheele.

Bowling Champs—Agronomy Club, (L-R) R. McLucas, S. Crossley, J. Bauer, W. Patchell, H. Hazen.

Join in extending congratulations and best wishes to the CLASS OF 1963. We look forward to your cooperation in support of your ALMA MATER and your continued interest in this association.

The purpose of the Foundation is to be of assistance to our Alma Mater.

Projected plans are to build up our principal to an amount where the interest may be used to purchase needed equipment for the College or students: and to provide scholarships or partial scholarships for students where tuition is not otherwise available, or where some special circumstances may apply. A Scholarship Committee under the control of the Foundation Board of Directors would determine scholarship awards.

Each College graduate is invited to participate in the accomplishment of these aims. Annual dues are \$5.00, Life Membership is \$125.
